

NAME: Sean's math problems

HINTS:

- Each item stands for a number, a single digit.
 - 5 = iGlasses
 - 2 = iHook
 - 3 = iTooth
 - 9 = iPiece
 - 7 = iLiner
 - 4 = iChart
- Turn the math answers into letters. 1=A, 2=B, ... 26 = Z.
- Do you recognize the style of the word "answer"?
- Do you remember Jonathan Coulton's song "Flickr"?

METHOD: Each icon represents a single digit. The math equations solve to numbers, the numbers correspond to the alphabet.

20 21 18 14 19 15 21 20 20 8 5 ? 9 19 1 15 11 = TURNS
OUT THE (..answer!) IS A OK

This is a line from JoCo's song "Flickr".

SOLUTION: EYEPATCH
