

**NAME: Sunshine's audio puzzle**

**HINTS:**

- each extra sound is replacing a single word
- try reading the words aloud

**METHOD:** sound clips from songs have one or 2 words replaced by one or two tones. If you read them aloud you get a riddle: To find the answer/ Start with too let hers that tell you to be quiet./Then there's nothing./Next is a piece sign fall load by the most common letter./The word ends with fifty.

SH are the two letters that tell you to be quiet.

O is nothing

V is a peace sign

E is the commonest letter, in a few languages.

L is roman numeral for 50.
